30 Years of VDT

PLAY

To celebrate our 30th Anniversary, VDT presents a brand new live production **PLAY** at Brighton Dome Corn Exchange.

Made and performed by **four local young people** and brilliant Polish collaborator Aurora Lubos.

Tracing an unreliable timeline through past works, **PLAY** reflects on the emotional upheaval of the last few years and celebrates young people's incredible resilience and imagination in the face of huge personal and societal change.

We would love you and the young people you work with to join us at the show on Thursday 14th March, and are delighted to offer you an exclusive £5 ticket.

Thursday 14th March, 7:30pm
Brighton Dome Corn
Exchange
New Road, Brighton
