# PLAY

'Meticulously detailed, working across generations, it's more than dance.  
Charlotte is shouting in the spaces that matter'  
The Guardian

To celebrate our 30th anniversary, Vincent Dance Theatre presents our brand new live production **PLAY** at Brighton Dome Corn Exchange, made and performed by four local young people and brilliant Polish collaborator Aurora Lubos.

Tracing an unreliable timeline through past works, **PLAY** reflects on the emotional upheaval of the last few years and celebrates young people's incredible resilience and imagination in the face of huge personal and societal change.

**Age guidance 12+**

PLAY is commissioned by Brighton Dome and Brighton Festival.  
VDT is a National Portfolio Organisation, funded by Arts Council England and Associate Company at Brighton Dome.
