

LOOK AT ME NOW, MUMMY

Direction & Design
Lighting Design
Devised & Performed by
Understudy/Rehearsal Director

Charlotte Vincent
James Harrison
Aurora Lubos
Valentina Formenti

Aurora Lubos is a performer of rare beauty. Soft, witty and endearing, her performance style appears improvised, but is meticulously crafted to devastating effect.

Look At Me Now, Mummy is a playful new solo that contemplates motherhood and the trials of domesticity. It is a hilarious and moving portrait of one woman's desire to be a domestic goddess, without the script necessary to play the part.

Making it up as she goes along, Aurora's performance of **Look At Me Now, Mummy** is an emotional rollercoaster, full of home-grown catastrophes, with a baby always crying somewhere

in the distance.

TEST RUN

Direction & Design
Lighting Design
Devised & Performed by

Charlotte Vincent
James Harrison
Janusz Orlik, Patrycja Kujawska
& Matt Howden

Originally created for **Dance Umbrella** in 2006, **Test Run** is an invigorating powerhouse performance by Janusz Orlik, desperate to 'dance alone for one, without the usual things getting in the way... other dancers for example'.

Responding to the rich multi-layered soundtrack played live on two violins by Patrycja Kujawska and Matt Howden, Janusz's solo gives way to the unexpected physical and musical interventions of the musicians who share the space. **Test Run** becomes a complex, integrated trio, a game of perseverance that exposes the enormous personal demands placed on one dancer to keep control of the stage.

Hurling its way back from the brink of exhaustion **Test Run** is an exhilarating exposé of dance as obsession: surprising, highly athletic and beautiful in the simplicity of its form and structure.
