Dear

VINCENT DANCE THEATRE launches 'INTERCOURSE', an uncompromising, physically assured injection into the dance and physical theatre scene in Great Britain today.

This new company, based in Sheffield, gathers great creative momentum from several successful dance/theatre collaborations in recent months, between Artistic Director Charlotte Vincent, and Movement Director Gregory Nash, Composer Dean Honer, and Dancer Harry Theaker.

VINCENT DANCE THEATRE creates political dancework, which grips, provokes and enchants both audience and performer alike. 'INTERCOURSE' is a violent, intimate duet for two athletic performers. This new work is an intense, layered piece which lashes out (with exhilarating contact improvisation, projected visual images and fearless solo work) at the decaying societal rules our generation has inherited. Emotionally charged, and forging compulsive physicality with subtle, contemporary reflection, 'INTERCOURSE' is highly personalised physical theatre.

'INTERCOURSE' tours nationally from late Autumn 1994 (November 4th) and throughout the Spring 1995 Season, and is now available for booking into the dance programme at your venue. Don't get left behind. If you are interested in booking this dynamic new production, or would like more information, we look forward to hearing from you soon.

Sincerely,

Charlotte Vincent, Artistic Director, VDT.

FEE FOR PERFORMANCE

The fee for this performance (55-60 minutes long) is £385.00, to be made payable to VINCENT DANCE THEATRE. Travel costs at 25p per mile are charged, with reduced mileage fees for venues outside a 150 mile radius from Sheffield, South Yorkshire.

ACCOMPANYING WORKSHOP

A 2 hour workshop in contact improvisation or contemporary dance is available at a cost of £100.00, with two workshop leaders, for groups of 8-20 members. Please call for more details.

TECHNICAL REQUIREMENTS

Minimum performing area needed: 9m x 6m, minimum height 3.5m. Dance floor (sprung wood or preferably lino) needed. Usual lighting rig required from venue, with lighting get-in before company's arrival on day of performance, (design plan sent in advance). Soundtrack on cassette through venues own sound system. Get-in time 3 hours minimum, with technical back-up from venue technician.

ANY QUERIES, PLEASE CALL VDT ON 0742 662793
