

BROKEN CHORDS

Programme note

Eleanor McDonald is unable to perform tonight due to injury. Her role is performed by **Lindsey Butcher**, who made and toured **Punch Drunk** with VDT in 2004/5. We are grateful to Lindsey for stepping into the role at short notice.

Lindsey Butcher trained at London School of Contemporary Dance. Since graduating, she has danced with Extemporary Dance Theatre, The Royal Opera, English National Opera, Disco Sister, Stopgap, Random Dance Co. and Charlie Morrissey, (Brighton festival commissions), Darshan Singh Bhuller, Siobhan Davies Dance Co (Bank project), Walker Dance Park Music and Vincent Dance Theatre. One of the UK's leading aerialists, in 2004 Lindsey established Gravity & Levity to explore the creative and expressive potential of aerial dance, and made and toured Taking Flight in 2005.
