Far away in a deep, dark wood, a pair of mischievous, battling sisters have created a magical world from other people's junk. With no-one to tell them to tidy up or go to bed, the sisters spend their days and nights building mad inventions, playing cruel tricks on each other and falling in and out of trouble.

Blending physical theatre, movement, puppetry and live music, **Fairy Tale** is a dark and delightful new production, full of love, laughter and the odd disaster, tailor made for children aged 6-8 years and their families. Full of surprising twists and turns, **Fairy Tale** is guaranteed to enchant both young and older audiences alike.

Fairy Tale is commissioned by the Nuffield Theatre Lancaster and Danceworks UK and funded by Arts Council England, Yorkshire, Lloyds TSB Foundation for England and Wales and Awards for All. Vincent Dance Theatre is regularly funded by Arts Council England, Yorkshire and supported by the Foyle Foundation.
