Broken Chords

Following their sold out *Punch Drunk* tour last spring, Vincent Dance Theatre's latest production, *Broken Chords*, is a dark and humorous look at love and loss by eight multi-talented performers. With a huge chandelier overhead and surrounded by piles of wooden chairs, this visually stunning production chronicles the intimate relationships that shape our lives.

Featuring a sublime original soundtrack with live violin and cello, *Broken Chords* combines wickedly dark humour with demanding dance, virtuoso musicianship and playful theatricality.

"Delicious and melancholic - a rich embraceable work, to which the performers give their all... dance that comes near to inducing a state of bliss" **Dance Europe**
