**VINCENT DANCE THEATRE
ON THE HOUSE**

On The House is a looped video and sound installation, which incorporates a 35 minute live performance and Vincent Dance Theatre's 35mm film **Glasshouse**. *Actual and fantasised intimacies made touchingly public* — The Guardian. Bringing together VDT's Associate Director TC Howard and Polish ballet trained newcomer Janusz Orlik, the piece is a physical, sonic and visual delight, a playful, moving duet in a little house covered with Autumn leaves. *A total theatrical experience – unrivalled speed and agility* — Venue Magazine. This will be a promenade performance, and the audience can sit or stand as close to the action as they wish ¶ **On The House** was originally commissioned by Site Gallery (Sheffield) and Arnolfini (Bristol) and was recently performed in the Royal Festival Hall Ballroom. This reworked version is commissioned by **Danceworks UK Ltd.**

This piece has been supported in South Yorkshire by **Danceworks UK Ltd (DW)** as part of a four-week residency **HOME** in April / May 2003, touring **On The House** to Barnsley, Doncaster, Rotherham and Sheffield.
